

Warranty of Solarever panels

For all the panels, we have 12 years workmanship warranty; for panels more than 250W, we have 25 years peak power warranty, for panels less than 250W, we have 10 years peak power warranty.

12 years workmanship

Solarever warrants that for a period of 12 years commencing on the Warranty Start Date (as defined below) the Product(s) will be free from defects in design, material, workmanship or manufacture that materially impede their functioning, and will conform to the specifications and the drawings applicable thereto. Any deterioration in appearance of the product, including any scratches, stains, mechanical wear, rust, mold, optical deterioration - but excluding any deterioration in color-, and other changes, which occur after delivery to Buyer shall not qualify as a defect hereunder, if and to the extent such deterioration does not result in a material impairment of the functioning of the product. A claim in the event of glass breakage arises only to the extent that there was no external cause of the breakage.

25 Year Limited Power Output Warranty(big panels, panels more than 250W)

Solarever warrants that for a period of twenty-five years commencing on the Warranty Start Date loss of power output of the nominal power output specified in the relevant Product Data Sheet and measured at Standard Test Conditions (STC) for the Product(s) shall not exceed: 90% output in the first 12 years and 80% output in total 25 years after the Warranty Start Date.

10 Year Limited Power Output Warranty(small panels, panels less than 250W)

Solarever warrants that for a period of twenty-five years commencing on the Warranty Start Date loss of power output of the nominal power output specified in the relevant Product Data Sheet and measured at Standard Test Conditions (STC) for the Product(s) shall not exceed: 90% output in the first 5 years and 80% output in 10 years after the Warranty Start Date.

If the panels have problem above, Solarever will figure out the reason and if it is the responsible of Solarever, Solarever will change the new panels to you for free.
